Invites you to join us for the
2013 UNITED NATIONS DAY
CELEBRATION

PRESENTING
GIL GARCETTI,

Former Los Angeles District Attorney

Theme: "2013 International Year of Water Cooperation," a photo exhibit and presentation by Gil Garcetti, world-renowned photographer and water activist. Mr. Garcetti will be signing his book, "Water Is Key: A Better Future for Africa."

Millions of West Africans lack access to safe drinking water and adequate sanitation. Yet when safe water is available, entire village economies change and the lives of the inhabitants are transformed from disease and malnutrition to hope and success. According to the World Health Organization (WHO), *"No other humanitarian intervention produces a more dramatic effect on life than access to safe water and sanitation."*
